REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 C.F.R. §1.323

Dear Sir:

Applicants have noted the presence of the inventor's business address, rather than the inventor's home address, and the omission of the assignee information in the above-mentioned patent. Applicants submit that the proposed corrections change errors of a clerical nature and do not introduce new matter or change the scope of the claimed subject matter, and believe the errors arose in good faith. A Certificate of Correction remedying this situation is respectfully requested. For this purpose, please find attached, in duplicate, a form PTO-1050, including at least one copy suitable for

printing

The PTO did not receive the following
listed item(s) fee (check as cc)

AUG 8 - 2005

Applicants note that they submitted the correct assignee information on PTOL-85, but it did not appear on the face of the patent. However, Applicants did not supply the home address, only the business address, of the inventor on the declaration. Accordingly, the fee of \$100 is enclosed herewith. It is not believed that any additional fees are required.

Although we believe that we have submitted the correct amount to cover the above-listed item, the Commissioner is authorized to credit any overpayment or charge any deficiencies to our Deposit Account No. 06-1448, Ref. TUV-005.01.

Respectfully submitted,
FOLEY HOAG LLP
